Dear Incoming Soldier:

I would like to welcome you to the 30th Medical Brigade and to beautiful Heidelberg, Germany. We look forward to your arrival and assignment in this unit.

Medical Support is a great challenge for us here in Europe, especially because of the numerous missions we are responsible for. 30th Medical Brigade is an exceptional team, which plays a key part in meeting that challenge. I'm sure you look forward, as do I, to the opportunity you will have to lead that team.

Please let us know how we can make your stay memorable as well as worthwhile. Again, we look forward to your arrival and welcome you to the 30th Medical Brigade.

VICTORY MEDICS - ONE TEAM!
